Subject: Kern River - Line Pack is Trending Low

---

Notice Text:

Line pack is trending low and approaching a level that may impair the reliable operation of Kern River's system. All shippers and delivery point operators are required to align daily scheduled nominations and physical receipts and deliveries. Shippers and delivery point operators that do not align scheduled nominations and physical deliveries are subject to corrective action by Kern River, including a reduction of physical flow to delivery points.

Parties that have negative imbalances are requested to contact their Marketing & Customer Services representative or the Customer Services hotline at 801-937-6111 to arrange imbalance payback to Kern River.

System conditions and other pertinent operational information will be updated throughout the day and posted to Kern River's Daily Operational Report page at <http://services.kernrivergas.com>.

Should you have questions, please contact your Marketing & Customer Services representative or the Customer Services hotline at 801-937-6111.

Thank you for your cooperation.
