

Kern River Gas Transmission Company Rapids Tips & Tricks – E-mail Cut Notification

Did you know you can have cut notifications automatically e-mailed to you? Follow these simple steps to set yourself up to receive these time-saving e-mails:

- Enter Kern River's Rapids system;
- Enter the Contact Manager window;
- Select the User Profile tab;
- Highlight your name under Contacts;
- Under User Functions on the right-hand side of the screen, locate the Schd Cut Notify checkbox;
- Click the checkbox;
- Click Save;
- When a cut occurs, you will receive an e-mail with the Shipper Cut Notification report attached as an Adobe (*.PDF) file.

Example Shipper Cut Notification Report:

Recipient: customer@noms.com

Subject: [5555] 9/25/2007 Intraday1 Shipper Cut Notification
