

Overview: Kern River service requesters can use the Agreement Request feature to simultaneously request and execute paperless interruptible and park and loan agreements or obtain a pooling/title transfer tracking number.

To request interruptible, park and loan or pooling/title transfer tracking service, a service requester:

- must have a fully executed Rapids Access Agreement and
- must accept the Terms and Conditions set forth below.

The person authorized by the service requester to transact business electronically on its behalf must have a valid User ID and password on Kern River's Rapids system.

For interruptible and park and loan agreements, credit must be established to obtain an interruptible or park and loan discount ID.

1. Launch Rapids from the website and enter your User ID and password.

	AGREEMENT REQUEST	
	To request interruptible, park and loan or pooling/title transfer tracking service, a service requester: • must have a fully executed Rapids Access Agreement and • must accept the Terms and Conditions set forth below.	
	The person authorized by the service requester to transact business electronically on its behalf must have a valid User ID and password on Kern River's Rapids system.	
	TERMS AND CONDITIONS	
	Interruptible or Park and Loan Service	
	A service requester that requests interruptible transportation or park and loan service using Kern River's automated agreement request process will be issued a contract number under Rate Schedule KRI-1, KRI-L1 or PAL, as applicable. The contract number and the applicable <i>pro forma</i> service agreement will constitute an executed interruptible transportation or park and loan service agreement. The executed interruptible transportation or park and loan service agreement and any related Exhibit "A's" containing the details of specific transactions, together with the General Terms and Conditions of Kern River's tariff and the applicable rate schedule, will constitute the entire agreement between the parties for the service requested and can be modified only in writing.	•

For Interruptible or Park and Loan agreements:

- The K Beg Date must be either the current date or a date in the future.
- The K End Date defaults to a term of one year if the agreement type selected is an interruptible or park and loan agreement.
- Evergreen clause defaults to month-to-month.
