

Kern River recently made historical and current compressor fuel and lost and unaccounted-for gas rates available in a very easy to use and downloadable report. The new report can be found on our Web site, services.kernrivergas.com, under Customer Activities/Support/Hist Fuel and L&U Rates.

Hist Fuel and L&U Rates:

- Select the Period range
- Select the Zone range
- Click Retrieve

The screenshot shows a web browser window displaying the 'Customer Activities' page. The page title is 'Customer Activities' and the sub-page is 'Support - Hist Fuel and L&U Rates'. The interface includes a navigation menu on the left, a search bar at the top, and a main content area with a form for selecting report parameters and a table of results.
