Subject: Kern River - Tax Reform/501-G Information

---

Notice Text:

On July 18, 2018, the Federal Energy Regulatory Commission ("FERC") issued a Final Rule requiring most FERC-regulated pipelines to file a one-time informational report using FERC Form No. 501-G (501-G). The form was designed to provide a rough estimate of the effect of the 2017 Tax Cuts and Jobs Act ("Tax Reform") on the pipeline's 2017 FERC Form No. 2. The Final Rule provides pipelines several filing options, including filing the 501-G with proposed adjustments and necessary support. Kern River Gas Transmission Company ("Kern River") is in the pipeline group that is required to file the 501-G report by October 11, 2018.

In advance of filing the 501-G report, Kern River has been meeting with customers to discuss the effects of Tax Reform. In addition, Kern River received a data request from a customer related to these discussions. Kern River created a website to provide general information pertaining to the Tax Reform. Kern River also created a secure website for the responses to the data request.

The general information and access to the secured website can be found at <http://services.kernrivergas.com/portal/Tax-Reform>.

Parties that wish to have access to the secured data request responses must contact Kern River to request a username and password. Requests should be sent to [KRTaxReform@kernrivergas.com](mailto:KRTaxReform@kernrivergas.com).
