Subject: Kern River - Maintenance and weather Update

Notice Text:

Kern River reminds its customers of the Unit #2 engine exchange at the Fillmore compressor station scheduled for March 12-14, 2019. Additionally, colder than normal weather continues to be forecasted in all Kern River market areas and line pack is trending low. Shippers and point operators are required to align scheduled nominations and physical receipts and deliveries to maintain line pack at current levels.

Customers should visit Kern River's Daily Operational Report (DOR) at <http://services.kernrivergas.com> to monitor system conditions and other important information.

Please contact your Marketing & Customer Services representative or the Customer Services hotline at 801-937-6111 if you have any questions.

Thank you for your cooperation.
