Subject: Kern River - Capacity Release Partial Recall Enhancement

---

Notice Text:

In response to customer requests, Kern River is pleased to announce it has added new functionality to its capacity release application that will allow customers to recall partial quantities and to execute multiple recalls during the term of the release.

The enhanced Recall Capacity window will indicate the quantity that is available for recall as of the effective date selected and will allow the user to enter a recall for any quantity up to and including the quantity available.

Should you have any questions or experience any problems, please contact your Marketing & Customer Services representative or the Customer Services hotline at (801) 937-6111.

Thank you!
