Subject:	Kern River - SoCalGas Needles/Topock Maintenance - Update		

---

Notice Text:

As per Southern California Gas Company's (SoCal Gas) latest notice, the Line 4000 validation digs maintenance, originally scheduled to begin Thursday, September 19, 2019, and end Thursday, November 14, 2019, is now scheduled to end Monday, November 4, 2019. During the maintenance, the operating capacity for the Needles/Topock Area Zone will be reduced to zero, which is a reduction of 277,290 Dth.

The operating capacity at Kern River's Kramer Junction and Wheeler Ridge delivery meters during the maintenance will not be impacted. Kern River customers should nominate their gas accordingly to optimize deliveries into SoCal Gas' system.

Customers can visit SoCal Gas' website <https://scgenvoy.sempra.com> to view the most recent maintenance notice and current and historical operational capacities on SoCalGas' system.

Please contact your Marketing & Customer Services representative or the Customer Services hotline at (801) 937-6111 if you have questions.
