Subject: Kern River Tariff Filings, Docket No. RP21-535

Notice Text:

On February 26, 2021, Kern River submitted to the Federal Energy Regulatory Commission (FERC) a filing to revise the Daggett surcharges applicable to gas scheduled downstream of the Daggett electric compressor station, effective April 1, 2021. Also included in the filing is a work paper showing the net benefit to vintage shippers of rolling in the 2002 expansion project, after fuel costs are considered.

A copy of the filing is available in FERC's eLibrary. Instructions to access eLibrary documents and/or to subscribe to specific FERC proceedings are available on Kern River's Informational Postings website:
