Subject: Kern River - Rapids Nomination Windows Upgrade

---

Notice Text:

Kern River has completed the technology upgrade to its nomination and nomination-related windows and enhanced several features based on customer input. The upgraded windows will be migrated the evening of Monday, March 29, 2021. The upgraded windows will be added to the menu panel with "New" after the window name. The old windows will be labeled "Legacy" after the window name and will be available for 30-60 days after which they will be removed.

The upgraded windows are:

- Nomination
- Scheduled Quantity for Shipper
- Shipper Imbalance
- TSA Imbalance History
- Pooling Contracts
- Fuel and L&U Matrix
- All Noms Report

Note: The Pooling Analysis and Svc Req K Info windows will remain as pop-up buttons from the Nomination window.

Kern River will continue with the technology upgrade to the remaining customer windows over the next few months and will migrate them as they are completed. Kern River will post a notice before each migration.

If you have any questions or need assistance, please contact your Marketing and Customer Services representative or the Customer Service hotline at 801-937-6111.
