Notice Text:

Effective 7:15 AM PCT August 5, 2022, and until further notice, SoCalGas is issuing a Southern System curtailment watch for the SoCalGas and SDG&E service territories that include Riverside, Imperial, and San Diego Counties due to low supplies into the Southern System.

Noncore customers on the Southern System may be required to reduce or stop their natural gas use per SoCalGas Rule 23 and SDG&E Rule 14.

SoCalGas and SDG&E urge customers to align their usage with their deliveries. Customers should continue to monitor Envoy for further updates.
