Subject:	Kern River - Hot Weather and Higher Demand Forecasted

Notice Text:

The current weather forecast shows temperatures will be higher than normal in Kern River's market areas through Wednesday, September 7, 2022, and demand is expected to continue to be high.

Shippers and receipt and delivery point operators are required to align daily scheduled nominations with physical receipts and deliveries to maintain line pack and system integrity. All balancing arrangements must be approved by Kern River in advance.

Customers should visit Kern River's Daily Operational Report (DOR) at <https://services.kernrivergas.com> to monitor system conditions and other important information.
