Notice Text:

Daylight saving time ends at 2:00 a.m. Sunday, November 3, 2024. Please remember to set your clocks back by one hour.

As stated in the NAESB WGO Standard No. 1.3.1, "Standard time for the Gas Day should be 9:00 a.m. to 9:00 a.m. (Central Clock Time)." This means one hour will be gained for Gas Day November 2, 2023. Please consider this when scheduling gas consumption for that day.

Kern River will make the necessary changes to its Rapids system, and the due date and time for the nomination, confirmation and scheduling processes will then continue as established by NAESB WGO Standard No. 1.3.2.

Please call your Marketing and Customer Services representative or the Customer Services hotline at (801) 937-6111 if you have any questions.
