Subject:	Reminder of SoCalGas Northern Zone Maintenance

Notice Text:

As per SoCalGas notice posted on April 11, 2025, and information posted on its ENVOY website, SoCalGas will be reducing the operating pressures of Line 4000 and Line 4002 from July 1, 2025, through November 1, 2026. This maintenance will impact points in the SoCalGas Northern Zone, including Kern River Kramer Junction, El Paso Topock and Transwestern Needles. Kern River shippers should consider using the Wheeler Ridge delivery meter.

Please see SoCalGas ENVOY for more detailed information.

Please contact your Marketing and Customer Services representative or the Customer Services hotline at (801) 937-6111 if you have questions.
