Subject: 05-18-2026 - SNV - Hold Burn - Excessive Banking - Reminder

Notice Text:

As a reminder, in response to excessive banking by transportation customers on Kern River Pipeline, Southwest Gas Corporation (Southwest Gas) has issued a Hold Burn to Scheduled Quantities for Southern Nevada transportation customers.

Southwest Gas requires all transportation customers to match or nominate less gas than projected usage. If conditions do not improve, an Operational Flow Order may be declared, resulting in a reduced tolerance window.

If you have any questions concerning this information, please contact your gas scheduling representative or Key Accounts Management (KAM) representative.
